**Online Test Details:** Today test was not conducted.

**Certification Course Details:** Today I continued the same course that is “Java For Everyone - Zero to Hero”. This course was about 22.5 hours of Duration. Today I had studied Dynamic Polymorphism and Inheritance in Java.

**Snapshot:**

The screenshot displays the Udemy course page for "Java For Everyone - Zero to Hero". The main content area shows a code editor with Java code. A text overlay on the code editor reads: "Now all these if Ford DOD delete what I have followed all three methods is it delete unique method that". The code editor shows a class hierarchy with a base class and a child class, and a public class overriding a method. The sidebar on the right shows the course content, including sections for Java String, Object Oriented Concepts, and a list of topics with their durations.
